

## REDOMESTICATION TO DELAWARE FROM ANOTHER STATE

If a foreign company (incorporated outside of the State of Delaware) wish to file an application for redomestication to Delaware, it must file the UCAA Primary Application, along with the following:

1. Letter addressed to Linda Sizemore, CPA, CFE, Director of Company Regulation, notifying the Department of the company's intent to redomesticate.
2. Letter or documentation from the current state advising no objection to the company filing an application for redomestication in that state. **(Please Note: The Company can submit the redomestication application to Delaware before receipt of the non-objection letter from the state they are leaving.)**
3. Name, address, phone number, fax number and e-mail address of the contact person at the Department of the current state or commonwealth.

Once the application is received, the file is assigned to a Financial Analyst for review. After review, the Financial Analyst will make a recommendation to the Commissioner. If approved, the Department will issue an Order approving the Redomestication. After which, the Company must file appropriate documents with the Delaware Division of Corporations (302-739-3077) to become a Delaware Corporation. The effective date of the redomestication is the date filed with the Division of Corporations or such other date as indicated in the filed documents.

THE FOLLOWING DOCUMENTS ARE REQUIRED IN ORDER TO ISSUE A CERTIFICATE OF AUTHORITY AFTER THE INSURANCE COMMISSIONER OF THE STATE OF DELAWARE HAS APPROVED THE APPLICATION FOR REDOMESTICATION:

1. Completed UCAA Form 2C.
2. Certified copies of documents filed with the Division of Corporations
3. Copy of Amended By-Laws, if applicable, certified by the Secretary of the Company.
