**RECEIVER'S SIXTH CLAIM RECOMMENDATION REPORT  
AND PETITION SEEKING HEARING ON ZERO VALUE CLAIMS**

COMES NOW, the Honorable Matthew Denn, Insurance Commissioner of the State of Delaware, in his capacity as the Receiver of Consumers United Insurance Company in Liquidation (herein "Receiver"), and presents this Sixth Claim Recommendation Report, pursuant to 18 Del. C. § 5917(c), petitioning this Honorable Court as follows:

Relief Requested

In this application, the Receiver seeks:

1. entry of an Order to Show Cause (the "Order to Show Cause") to the claimants referenced on Exhibits 1 and 2 to the form of Order Concerning the Receiver's Sixth Claim Recommendation Report and Petition Seeking Hearing on Zero Value Claims (the "Proposed Final Order"), in the form of Order to Show Cause filed contemporaneously with this Report and Petition, scheduling a hearing and establishing the procedure for such hearing. The Receiver further requests that the hearing on the priority classification and value of such claims, or the disputed portions thereof, be scheduled approximately sixty (60) days or more after entry of the Order to Show Cause relating to this Report and Petition;

2. adjudication of the priority classification and value of the claims set forth on Exhibits 1 and 2 to the Proposed Final Order at the scheduled hearing unless the Claimants timely file a written request for judicial review of the Receiver's recommendation, for which claimants the Receiver will seek a subsequent hearing on the merits of those claims; and

3. after affording the claimants on Exhibits 1 and 2 to the Proposed Final Order an opportunity for a hearing on their claim, a determination and entry of the Proposed Final Order by this Court pursuant to 18 Del. C. § 5917(d) disallowing the policyholder level claims on Exhibit 1 to the Proposed Final Order in their entirety, and disallowing the general creditor level claims on Exhibit 2 to the Proposed Final Order in their entirety.

#### Background of the Liquidation Proceedings

Consumers United Insurance Company ("CUIC"), a Delaware domiciled insurance company, was licensed to issue life and health insurance policies in forty (40) states and the District of Columbia. This Court determined that CUIC was in hazardous financial condition and placed CUIC in rehabilitation proceedings by Stipulated Rehabilitation and Injunction Order dated February 9, 1993 ("Rehabilitation Order"; Dkt. No. 18). The Court appointed the Delaware Insurance Commissioner as the statutory receiver of CUIC. By Liquidation and Injunction Order dated May 5, 1994 ("Liquidation Order"; Dkt. No. 74), the Court declared CUIC insolvent and ordered that the Delaware Insurance Commissioner continue as Receiver and liquidate CUIC.

By Order dated December 15, 1994 (Dkt. No. 124), the Court approved the Proposed Plan of Liquidation which provided for, among other things, notice to CUIC's creditors and other interested parties of the liquidation proceedings and the claims process. The Court also established a Creditor Bar Date of March 1, 1995 (which was subsequently extended to December 1, 1995).

Pursuant to the statute and the Plan of Liquidation, the Receiver has attempted to negotiate settlement of or otherwise resolve the claimants' policy claims that are not covered by a guaranty fund and the general creditor claims. The Receiver has been able to resolve most claims of claimants who have presented claims against group or individual health insurance, life insurance and annuity policies and most of the general creditors' claims.

The Receiver has determined that the policy level claims listed on Exhibit 1 to the Proposed Final Order either been satisfied by the applicable state guaranty association directly or through assumption of the liability by Unity Mutual Life Insurance Company, or are otherwise not valid claims against the CUIC estate ("Zero Value Policy Claims").

The Receiver has also determined that the general creditor level claims listed on Exhibit 2 to the Proposed Final Order are not valid claims against the CUIC estate.

For the zero value claims on Exhibits 1 and 2 to the Proposed Final Order, the Receiver forwarded a Notice of Evaluation, containing the Receiver's recommended priority classification and "zero value" to each claimant. The claimants listed on Exhibits 1 and 2 to the Proposed Final Order either did not timely file an objection with the Receiver to the Receiver's evaluation of the claim or the claimants have indicated that they do not intend to proceed with an objection to the evaluation.

Therefore, the Receiver is seeking a more expedited hearing process for the final determination for the claims listed on Exhibits 1 and 2 to the Proposed Final Order than for previous disputed claims brought to the Court for a determination of allowance or disallowance.

This Sixth Claim Recommendation Report is filed pursuant to the claim notice and hearing requirements of 18 Del. C. § 5917 pertaining to disputed claims in the liquidation proceedings.

The Receiver anticipates that there may be a small number of additional disputed claims for which hearings will be necessary. Further, a final hearing will be necessary concerning undisputed policyholder level and general creditor level claims for which the Receiver has recommended a value other than \$0.

#### I. CLAIMANT'S BURDEN OF PROOF

Pursuant to 18 Del. C. § 5917, each claimant has the burden of proving the validity of his or her claim.

A claim will not qualify as a policyholder level claim unless it arises "from and within the coverage of and not in excess of the applicable limits of insurance policies and insurance contracts issued by the company." 18 Del. C. § 5918(e)(3). For the purposes of this estate, the policyholder level claims were originally designated as Class 4. The policyholder level claims are now reclassified as Class 3 pursuant to the amendments to the priority statute in 72 Del. Laws, c. 400. The general creditor level claims were originally designated as Class 5. The general creditor level claims are now reclassified as Class 6 pursuant to the amendments to the priority statute in 72 Del. Laws, c. 400.

## II. RECOMMENDATIONS AS TO CLAIMS ON EXHIBITS 1 AND 2

### A. Policy Level Claims Recommended to be Disallowed

Pursuant to 18 Del. C. § 5917(c), the Receiver recommends that the Policy Claims on Exhibit 1 to the Proposed Final Order be classified as Class 3 policyholder level claims, valued at \$0, and disallowed in their entirety because the claims have either been satisfied in full by the applicable state life and health insurance guaranty association or assuming insurer, or are otherwise not valid claims against the CUIC estate.

### B. General Creditor Claims Recommended to be Disallowed

Pursuant to 18 Del. C. § 5917(c), the Receiver recommends that the General Creditor Claims on Exhibit 2 to the Proposed Final Order be classified as Class 6 general creditor level claims, valued at \$0, and disallowed in their entirety because the claims have either been satisfied in full prior to the liquidation proceedings or are otherwise not valid claims against the CUIC estate.

## III. HEARING PROCEDURE REQUESTED

The Receiver requests that the following procedure apply to the hearing on these Zero Value Claims:

1. Within ten (10) calendar days of receipt of the signed Order to Show Cause, the Receiver would serve, by U.S. first class mail, postage prepaid, obtaining proof of mailing, a copy of the Order to Show Cause to each Claimant listed on Exhibits 1 and 2 to the Proposed Final Order. The Order to Show Cause shall advise the claimants of their right to obtain copies of this Petition and the form of Order disallowing their claim (the "Petition Documents"), and the manner in which they may

obtain copies of the Petition Documents. To avoid waste of the estate's assets by mailing copies of the Petition Documents to many of the claimants who have exhibited no intention of pursuing their claims or objections to the Receiver's recommendation, the Receiver shall not be required to mail any document other than the Order to Show Cause to any claimant unless any such claimant requests the Petition Documents at least ten (10) calendar days before the scheduled hearing date.

2. The hearing on the date and at the time established in the Order to Show Cause shall be for the purpose of determining whether any claimant desires to seek the Court's review of the Receiver's recommendation that their claim has a value of \$0 and that their claim should be disallowed in its entirety. Any claimant who desires to have the Court review the Receiver's recommendation as to their claim must advise the Court of their objections to the Receiver's recommendation and the basis for their objections at least ten (10) calendar days before the scheduled hearing date. ANY CLAIMANT WHO FAILS TO NOTIFY THE COURT OF THEIR INTENT TO SEEK A COURT REVIEW OF THE RECEIVER'S RECOMMENDATION ON OR BEFORE TEN (10) CALENDAR DAYS BEFORE THE SCHEDULED HEARING DATE WILL HAVE BEEN DEEMED TO HAVE WAIVED ANY RIGHT TO A COURT REVIEW OF THE RECEIVER'S RECOMMENDATION CONCERNING THEIR CLAIM, WILL BE DEEMED TO HAVE ABANDONED ANY OBJECTION TO THE RECEIVER'S RECOMMENDATION, AND WILL HAVE THEIR CLAIM DETERMINED TO HAVE A VALUE OF \$0 AND DISALLOWED IN ITS ENTIRETY.

3. For any Claimant who advises the Court at least ten (10) calendar days before the scheduled hearing date that they intend to seek a Court review of the Receiver's recommendation concerning their claim, the initial hearing for this Petition shall not be a hearing on the merits of their

claim. For such claimants, the Court will schedule a date for the submission of exhibits by the Receiver and the Claimant and a subsequent hearing date on the merits of such claim. A form of Order scheduling the subsequent hearing date shall be issued at the direction of the Court and shall address any special requirements for the submission of exhibits, such as the filing of confidential health or financial information of the Claimant under seal, and shall also address the evidentiary procedures and other matters pertinent to such hearing, if such a hearing is necessary. Claimants who seek a Court review of the Receiver's recommendation concerning their claim shall be required to attend the subsequent hearing on the merits.

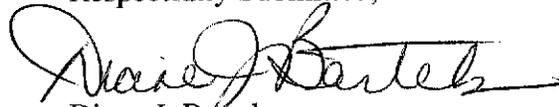

## CONCLUSION

WHEREFORE, the Receiver of Consumers United Insurance Company in Liquidation respectfully requests that this Honorable Court:

1. enter an Order to Show Cause to the claimants referenced on Exhibits 1 and 2 to the Proposed Final Order, in the form of Order to Show Cause filed contemporaneously with this Report and Petition, scheduling an initial hearing and establishing the procedure for such initial hearing. The Receiver further requests that the hearing on the claims be scheduled approximately sixty (60) days or more after entry of the Order to Show Cause relating to this Report and Petition;
2. adjudicate the claims set forth on Exhibits 1 and 2 to the Proposed Final Order at the scheduled hearing, unless a Claimant advises the Court of their intent to seek a Court review of the Receiver's recommendation concerning their claim;
3. for any Claimant who advises the Court of their intent to seek a Court review of the Receiver's recommendation concerning their claim, the Receiver seeks the scheduling a subsequent hearing on the merits of such claim; and
4. after affording the claimants on Exhibits 1 and 2 to the Proposed Final Order an opportunity for a hearing on their claim, make a determination and enter the Proposed Final Order pursuant to 18 Del. C. § 5917(d) disallowing the policy level claims on Exhibit 1 to the Proposed Final Order in their entirety and disallowing the general creditor level claims on Exhibit 2 to the Proposed Final Order in their entirety.

At this time, the Receiver is not requesting the Court to make any determination regarding the allowance or disallowance of the claims, if any, of the state life and health insurance guaranty associations for payments which those associations may have made to these claimants for these claims. The only determination being sought is the adjudication of the Claimant's claim for that portion of their claim which was not covered by any of the state life and health insurance guaranty associations.

Respectfully Submitted,

CONSUMERS UNITED INSURANCE COMPANY )

**ORDER CONCERNING RECEIVER'S SIXTH  
CLAIM RECOMMENDATION REPORT AND  
PETITION SEEKING HEARING ON ZERO VALUE CLAIMS**

WHEREAS, pursuant to 18 Del. C. § 5917(c), the Receiver (the "Receiver") of Consumers United Insurance Company in Liquidation ("CUIC") filed the Sixth Claim Recommendation Report pertaining to numerous Proofs of Claim for certain policyholder level claims listed on Exhibit 1 hereto and for certain general creditor level claims listed on Exhibit 2 hereto. The Receiver has taken the position that the policyholder level claims listed on Exhibit 1 hereto and the general creditor level claims listed on Exhibit 2 hereto were either already satisfied or were otherwise not valid claims against the CUIC estate.

WHEREAS, this Court entered an Order to Show Cause dated \_\_\_\_\_, 2007, which set \_\_\_\_\_, 2007, at \_\_\_\_\_.m., as the date and time for the hearing on the Receiver's recommendation that all of the claims on Exhibits 1 hereto should be classified as Class 3 policyholder level claims, valued at \$0, and disallowed in their entirety, and that all of the claims on Exhibit 2 hereto should be classified as Class 6 general creditor level claims, valued at \$0, and disallowed in their entirety.

The Order to Show Cause further required each Claimant listed on Exhibits 1 and 2 hereto to notify the Court in writing of his or her intent to appear at the hearing by \_\_\_\_\_, 2007, or his or her claim would be considered abandoned and the Receiver's recommendation to disallow such claim in its entirety would be adopted by the Court;

WHEREAS, the Receiver has filed proof that each Claimant was sent a copy of the Order to Show Cause, which afforded notice of the hearing date and the requirement to notify the Court of his or her intent to appear, to such Claimant's last known address; and

WHEREAS, the Claimants listed on Exhibits 1 and 2 hereto either notified the Court in writing that they did not intend to seek a judicial review of the Receiver's recommendation or did not file any response to the Order to Show Cause.

NOW, THEREFORE, the Court finds that the Claimants listed on Exhibits 1 and 2 hereto have either accepted the Receiver's recommendation as to their claim or have abandoned their objection to the Receiver's recommendation as to the classification and \$0 value to be assigned to their claim and to the disallowance in its entirety of such claim;

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. The Receiver's recommendation that the claims listed on Exhibit 1 hereto be assigned to the Class 3 policyholder level class, valued at \$0, and disallowed in their entirety is hereby adopted by the Court, and EACH CLAIM LISTED ON EXHIBIT 1 HERETO IS HEREBY CLASSIFIED AS A CLASS 3 POLICYHOLDER LEVEL CLASS CLAIM, VALUED AT \$0, AND DISALLOWED IN ITS ENTIRETY pursuant to 18 Del. C. § 5917(d).

2. The Receiver's recommendation that the claims listed on Exhibit 2 hereto be assigned to the Class 6 general creditor level class, valued at \$0, and disallowed in their entirety is hereby adopted by the Court, and EACH CLAIM LISTED ON EXHIBIT 2 HERETO IS HEREBY CLASSIFIED AS A CLASS 6 POLICYHOLDER LEVEL CLASS CLAIM, VALUED AT \$0, AND DISALLOWED IN ITS ENTIRETY pursuant to 18 Del. C. § 5917(d).

3. This disallowance of the claims listed on Exhibits 1 and 2 hereto shall not affect any amounts which may already have been paid to or on behalf of such Claimants by the applicable state life and health insurance guaranty association or any other benefits, if any, received by such Claimants from the guaranty association directly or through an assuming insurer.

4. Within five (5) business days of receipt of this Order, the Receiver's counsel shall serve, by United States first class mail, postage prepaid, with United States Postal Service proof of mailing, which may be a bulk proof of mailing, to the Claimants' last known address in the Receiver's file, a copy of this Order on the Claimants.

5. There is no just reason for delay, and this Order, pursuant to Chancery Court Rule 54(b), is entered as a final judgment. This Order shall be deemed a separate Order with respect to each disputed claim listed on Exhibits 1 and 2 hereto. THE CLAIMANTS WHOSE CLAIMS LISTED ON EXHIBITS 1 AND 2 HERETO HAVE BEEN DISALLOWED IN THEIR ENTIRETY OR IN PART MUST FILE ANY APPEAL OF THIS ORDER TO THE SUPREME COURT OF THE STATE OF DELAWARE, SUBJECT TO THE RECEIVER'S RIGHT TO OBJECT OR OTHERWISE RESPOND TO SUCH APPEAL. ANY SUCH APPEAL MUST BE FILED WITH (RECEIVED BY) THE CLERK OF THE DELAWARE SUPREME COURT WITHIN THIRTY (30) DAYS OF THE DATE OF THIS ORDER. FOR EACH INDIVIDUAL

CLAIM, FAILURE TO FILE A TIMELY APPEAL SHALL RESULT IN THE COURT'S DECISION AS TO THAT CLAIM BECOMING FINAL. ANY APPEAL WHICH IS FILED SHALL RELATE SOLELY TO THE CLAIM FOR WHICH SUCH APPEAL HAS BEEN FILED BY THE CLAIMANT WHICH FILED SUCH CLAIM AND SHALL NOT AFFECT THE OTHER CLAIMS SUBJECT TO THIS ORDER. Any stay of this Order pending appeal by any of the Claimants whose claims are subject to this Order shall apply only to such claim and shall not act to stay the applicability and/or finality of this Order with respect to any other Claim on Exhibit 1 or 2 attached hereto.

6. This Court shall retain jurisdiction over any matters relating to the implementation of this Order.
