

Premium Taxes and Fees

Electronic Funds Transfer (EFT)

With the closing of bank lockbox operations effective December 31, 2008, the Department no longer offers Electronic Funds Transfer as a premium tax payment option. All companies are encouraged to participate in the *OPTins* online premium tax filing program, which allows for immediate and secure payment using the ACH debit format. Contact the NAIC at www.optinshelp@naic.org for more information.
