

Medicare Prescription Drug Open Enrollment 2008

The Medicare Road Show... coming to your town!

ELDERinfo, Delaware's State Health Insurance Assistance Program (SHIP) will host Open Enrollment Events at various locations. We will provide education, awareness, information and health services essential to senior health. The fair will offer various elderly service organizations who will share information about their organizations and how seniors could benefit. Some organizations on hand include the Centers for Medicare & Medicaid (CMS), Social Security, Senior Medicare Patrol and Delaware Prescription Assistance Program (DPAP) just to name a few.
