

## Have you done your Yearly Medicare Prescription Drug Enrollment Review?

Each year, Medicare plans make changes to their coverage, benefits, and cost. Every fall, **all** people with Medicare should review their current health and prescription drug coverage.

ELDERinfo and Delaware Medicare Partners will provide accurate, unbiased information about Medicare and the Medicare Part D prescription drug benefit at community outreach events throughout the State of Delaware. Please contact ELDERinfo at 1-800-336-9500 or 302-674-7364 to schedule an appointment to review your drug information for 2010. On-site enrollment is available at these events.
