To the head of the [REDACTED] household:

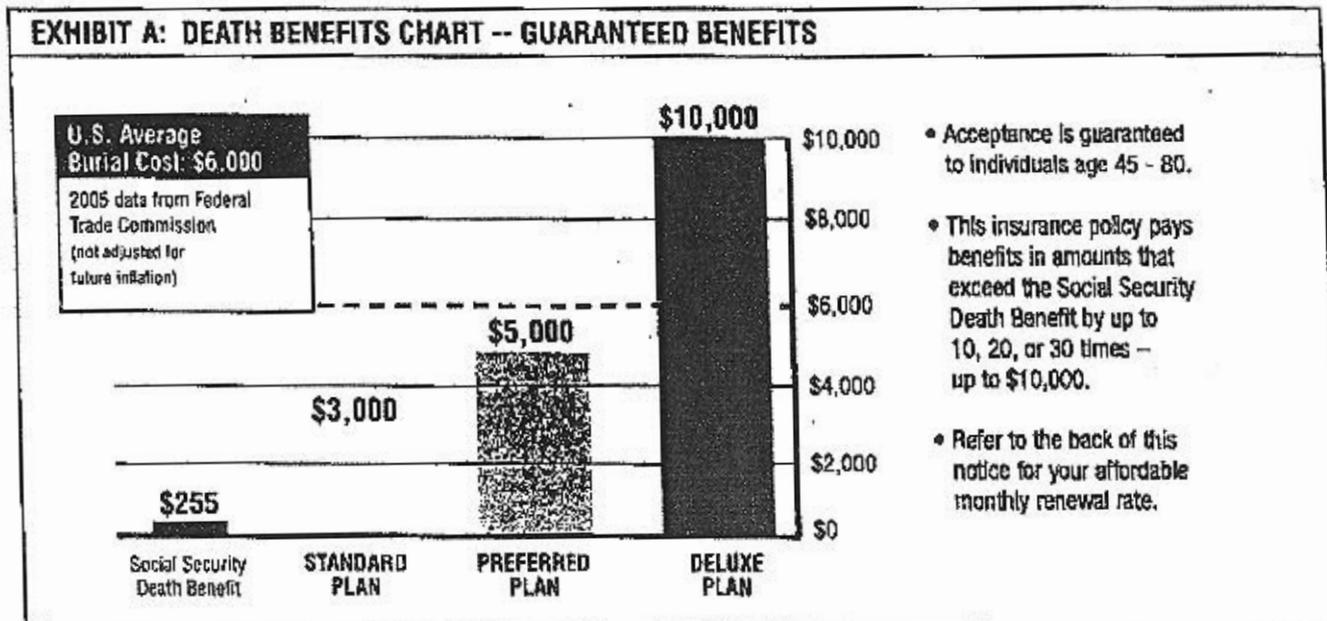

Important information about the financial security of your family. Please be aware of these facts:

1. The average cost of a funeral is now \$6,000.00.*
2. Social Security currently pays a one-time lump sum death benefit of just \$255, and only if you qualify. Your family may have to pay the rest.

If you are age 45 - 80, you are eligible for modified term life insurance benefits that can strengthen your family's financial security. Your acceptance is guaranteed for one policy of this type regardless of health, and your coverage cannot be cancelled as long as premiums are paid on time.

To activate this coverage today, complete and mail the enclosed Application with \$1 for your first month. Your renewal premium is based on your age and the benefit amount you choose. Premiums are based on attained age and will automatically increase as the insured enters each five-year age band.

*Based on cost figures compiled by the Federal Trade Commission, 2005.

Physicians Life Insurance Company is not connected with Social Security or any government agency.
