**Re: Aetna Plans**

Aetna completed its acquisition of Coventry Health Care, Inc. in May of 2013. Aetna, through the Coventry products, was part of the Delaware Exchange in 2014. Aetna decided it can best meet the needs of Delaware consumers on the Delaware Exchange under its Aetna branded plans. As a result, Aetna did not file Coventry branded plans on the Delaware Exchange for 2015.

The Aetna plans filed for Quality Health Plan (QHP) certification are new in 2015. People insured under Coventry Marketplace plans in 2014 will be offered new plans as part of the 2015 open enrollment process.
